President's Report

Welcome to the 2024 Season !

To all our Falcon Famillies, I want to say a big WELCOME to the 2024 season.

For our returning players, It's great to see you again.
For our new players - welcome to the club !

I have been given the honour of being your president for this 2024 season, and i cannot wait to see all you players out there on field. If you happen to see me out there pn game day, feel free to come up and say hello, I will be making it my main aim to make sure i get to at least a couple of team games this season.

We know that you all have a choice in where your child plays football, so I thank you all very much for choosing Forrestdale, Without you, the families and the players, we would not have this wonderful club that we have, and myself and my committee have you all to thank for that.

I would also like to thank our amazing coaches, assistant coaches, team managers and Medics that have stepped forward to lead your teams into their games and trainings. The hard work and dedication that you give this club is truly wonderful, and I appreciate everything that you do to for our players.
Without you leading the front line, game day would not even happen.

To my amazing committee, thank you very much for stepping up and helping me with running of the club. It truly is a team effot, and would not be possible without everyone doing thier part.

Win, lose or draw, lets make this a amazing 2024 season of football
LETS GO FALCONS

Kinda Kick / Auskick

KINDA-KICK - This week was our first week of kinda - kick , it was great to see all the kids out there having a go & lots of new faces on friday night, can't wait to see all the kids again next week.

AUSKICK - Friday 28Th Saw our first offical session of the year, With 38 auskickers down on the oval, this looks like our biggest cohorts so far.

All the kids over the season will learn a variety of skills, warmups and gameplays and will be sorted into their game day teams over the next few weeks.

This year we are aiming at getting a few extra games with neighbouring clubs for our PP & Yr1's and our Yr2 will be heading off to their Rookie Series towards the end of the season.

We thank those parents that have already stepped forward to assist with leading a team, If there are any more interested, just let coach ben know at the sessions
